Jeunesse en action ! 3A

The third level of our programme for junior high school students! *Jeunesse en action !* has met with rave reviews from teachers and students around the globe. Students who have completed the first two kits can continue their rapid fluency development in the third kit, **Qui arrive ce soir ?** As in the first kit, vocabulary and grammatical structures are introduced and reinforced through *gestures, drama, grammar raps, songs, error analysis* and *cutting edge language and literacy techniques*.

Histoires en action ! 4A *pour les tous petits !*

New! The fourth level of the AIM for young beginners! Both core and immersion teachers have been thrilled with *Histoires en Action ! pour les tout petits* 1A, 2A and 3A. Now *Petite Pauline*, the fourth-level kit is available. The kit features a great new play by Wendy Maxwell which points out that special things often come in small packages, and of course there are great new songs and raps!

And don't forget the AIM readers!
